please pray

Give thanks for the events held over the Summer and for the opportunity for fellowship, learning and reaching out to others. Give thanks too for those who worked so hard to make the events such a success.

Pray for:

- the staff and pupils of our local schools as they return to school after the holidays. For those students who may be leaving home for the first time to go to university. Especially pray for Tom as he starts his third year at York University. Pray that as September begins they have the opportunity to leave past struggles behind and step into a new season with renewed hope
- The new Bible Study Groups starting from the 1st September and for Sonia in her position as Mission Enabler and the work she has undertaken to get the groups 'off the ground'
- For those who are facing difficulties, heath problems of hospital treatment – that they may find comfort and healing. Pray particularly for Andy as he continues his recovery.
- For areas of conflict throughout the world that peaceful solutions may be found.
- For the areas of the world experiencing difficulties because of Climate Change issues. Pray particularly for Nepal-Tibet where there is danger of further flooding Pray too for the families of those who have lost their lives that they may find comfort and peace

Rev Andrew Mauchan Fundraiser for MacMillan

Andrew (former Rector of Wombwell) was a very loving husband (58 years), father and grandfather. He valued both his careers in education and then as a C of E Minister. He and Cherry (his wife) enjoyed lovely holidays in the caravan and camper van. Latterly he enjoyed bowling (saying that he only played so that other people could win). Sadly he passed away last September. In early September this year, Anita Woods, Naomi Mauchan and Cherry are taking part in the Alnwick Macmillan ½ marathon hike. Now an octogenarian it is Cherry's first half marathon hike so it will be a challenge!

Netherwood Students

We'd like to give a big thanks to **Alex and Curtis** (Y10 students at Astrea Netherwood Academy) for all their help over the summer at St Mary's Church events. This was part of the Astrea Community Engagement programme. They helped at our Barnsley Foodbank Coffee Morning; our stand at the 'Party in the Park'; and the August Family Service.
