## SAFEGUARDING CHILDREN POLICY

### Introduction

'As members of the Church of England we are concerned with the wholeness of each individual within God's purpose for everyone. We seek to safeguard all members of the church community, of all ages. It is the responsibility of each member to protect children and young people from physical, emotional and sexual abuse, and from neglect'. *Diocese of Sheffield Safeguarding Children Policy.*

### Principles

- The Parish aims to provide a secure and supportive environment in which children can develop and be helped towards a mature faith in Christ, in accordance with the Parish Mission Statement.
- The Parish fully endorses the principle, enshrined in the Children's Act 1989, that the welfare of the child is paramount.
- The Parish recognises that it is required by God to foster relationships of the utmost integrity, respect, truthfulness and trustworthiness. Clergy and laity who come into contact with children within the church need to operate within a carefully thought out framework of policy, procedures and good practice which will ensure that children are safeguarded and nurtured within a culture of informed vigilance.
- A child is anyone under the age of 18.

- To create a culture of informed vigilance which takes children seriously.

- To ensure that those who may pose a threat to children and young people are effectively managed and monitored.
- To ensure that appropriate health and safety policies and procedures are in place.
- To provide appropriate insurance cover for all activities undertaken in the name of the parish.
- To review the implementations of the safeguarding children policy, procedures and good practice annually.
