St Mary's Chancel improvements.

As all Members of church will know, we're hoping to raise £100,000 to help fund a glass screen to partition off the Chancel.

We've started to use the old Chancel a lot more for the work we do as a church especially amongst members of the

Wombwell Community - the Community Café, the Foodbank, an after school club for Primary age children and for a youth group. We now have a 'Just Giving' Page to help us with that fundraising. If you want to support us please use the QR code to access our Just Giving Page.

Let's all pray together

Please Pray.....

Continue to pray for John and Helen, and for Anne and Steph and all those who hold a leadership position within the Parish. Give them wisdom and strength to help us follow in the footsteps of Jesus

For the forthcoming General Election that even in the heat of the debate we will treat each other with respect and kindness. Give thanks too for the dedication for all who agree to stand for public office in service of our community

For peace in the war torn areas of the world and that peaceful solutions may be found to end these conflicts.

For the USA as they approach the presidential election
